

NURSERY ROOM

INFANTS & TODDLERS

Learning to walk the way

An amazing amount of development is taking place in the first three years of life. Children learn they are part of a Christian community of faith who loves and appreciates them.

walkin'
the way

Little Activities For Little People

Learning is done through sensory experiences, singing and simple words and stories. Parents are encouraged to participate as teachers and helpers.

Finding My Feet

Finding My Feet is the infant and toddler curriculum to help begin a life-long faith journey and walk with God. The *Finding My Feet* lessons are written by Mary Nelson specifically for infants and toddlers aged 0-2.
